

Need to bring global talent onboard?

With Oyster’s global employment platform, it’s never been easier to hire, pay, and care for Team Members anywhere in the world.

What is Oyster?

Oyster is a global employment platform designed to enable visionary HR leaders to find, engage, pay, manage, develop and take care of a thriving global workforce. You can focus on building a brilliant global team, while we take care of the nuts and bolts of a global HR function.

No need to set up a local entity in the country where your Team Member lives. Oyster ensures talent is employed compliantly, paid easily across borders, and provided with a great employee experience regardless of where they’re located.

Why choose Oyster?

Expand your global team fast

How does it work?

When it comes to global employment, Oyster Direct+ infrastructure ticks off all the boxes, so you can build, manage, and retain an international team like a pro. Oyster handles the employment of your Team Members, assuming professional liability for any issues in the contract, local compliance, and payment. And we also ensure that by using our agreements, all IP rights are owned by or transferred to our customers to the fullest extent allowed by the law of each country.

Compliant workforce management made easy

Oyster's automated global employment platform allows you to focus on what matters. Designed to protect your business, stay compliant around the globe, and reduce the time you spend on mundane tasks.

1.

Onboard

Sign up for an Oyster account, or contact our [Sales team](#) for a demo. You'll be guided through the steps to get started with our platform.

2.

Engage

Invite employees or contractors to join your team by filling out their employment information. Onboard your new Team Member quickly and compliantly with a contract to sign in as little as 48 hours.

3.

Pay

Pay your Team Members in their local currencies with Oyster's simplified and compliant multi-country payroll services. Local tax deductions, currency conversions, bonus payments, and expense reimbursements are all handled for you.

4.

Care

Offer competitive, locally optimized benefits to your team, wherever they live. Deliver a great employee experience where your team members can apply time off, file expenses, and access benefits—all from one place.

What does it cost?

Ready to bring your talent aboard? Oyster's pricing model is predictable and transparent, varying by country of employment.

Full-time employees: fee starts at **\$499 | €449 | £399 per employee/month.**

Contractors: fee is **\$29 | €27 | £25 per contractor/month.**
